

It does not matter if one is a Republican, a Democrat, a Libertarian or an Independent. The decision by the Sinclair Group to air a clearly partisan smear "documentary" against one candidate in this very close presidential race, and to force all of its subsidiary stations to air it, is reprehensible. What's more, it seems to me to be a clear violation of election laws. It is imperative that the FCC put a stop to this nonsense immediately. To wait until after it has aired to take action is to abdicate the FCC's responsibility. Please address this now, before it is too late. Thank you for your attention.
